

Eligibility Requirements for Becoming a National Honor Society Member (NHS):

***Unweighted and Weighted GPA of 3.40 or higher on the first day of junior or senior year (no rounding)**

Academic Eligibility does NOT guarantee acceptance into NHS; however it does offer you the opportunity to apply for membership. If students are eligible, they will receive a letter in the fall, verifying their eligibility and inviting them to a meeting for a review of the application process.

Below are additional components of the program that are taken into consideration when determining your initial eligibility and maintaining your membership with NHS.

- SCHOLARSHIP:** **Maintain 3.40 GPA**
 No Violation of the School's Disciplinary Policy
- CHARACTER:** **NHS members are expected to serve as role models for the school body**
- SERVICE:** **NHS members are required to participate in and track at least eight hours of community service per quarter**
- ATTENDANCE:** **NHS members are required to go to the mandatory meetings**
- LEADERSHIP:** **NHS candidates will submit information to a panel of teachers to include past leadership experiences and past service projects**
